

DEALHQ PARTNERS FIRM PROFILE

www.dealhqpartners.com

Who we are

We are an Africa Focused deal advisory/boutique commercial law firm focused on supporting businesses and positioning them to operate efficiently within their market sphere. We are known for our quality service delivery which is focused on attention to detail, creativity, timely execution and client satisfaction.

DealHQ is unconventional - providing an uncommon cross between management consultancy and legal services. Every lawyer in DEALHQ carries an entrepreneur's mind first and foremost, then a deep understanding of law and knowledge of its practical application to mitigate risks on transactions.

Our service offering includes: - corporate commercial, finance, capital markets & derivatives, mergers & acquisitions, private equity, aviation, ESG, real estate & construction, infrastructure, technovation, agriculture & commodities, business formations & start up support amongst others.

We pride ourselves as being commercial-minded and unconventional in our practical yet risk mitigation based approach to legal matters. We give priority always to realizing client's objectives.

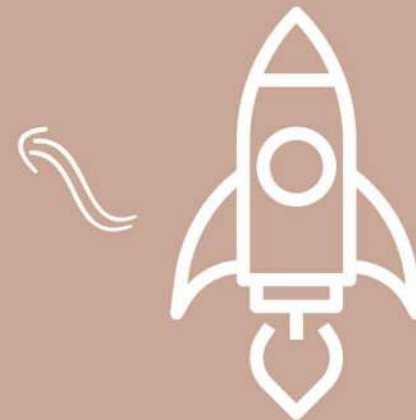

Our Vision

To be the leading deal advisory firm in Sub - Saharan Africa. We seek to utilize our legal expertise and commercial acumen to integrate the best of the continent with the rest of the World.

Our Mission Statement

DealHQ is in the market to disrupt the commercial legal services space. Our dynamic and innovative team positions us to understand the trends and needs of today's business. We utilize technology to differentiate and strengthen our service delivery.

Our Values

1

Service

We are passionate about serving our clients and surpassing their expectations. As a team our ultimate goal is to consistently seek ways to add value to our clients and ourselves.

2

Integrity

Our word is our bond. We are consistent about who we say we are. Our actions consistently match our values.

3

Camaraderie

As a team, we consistently make contributions towards our collective aspirations understanding that we are better together.

4

Respect

We respect ourselves first and foremost and we treat others fairly and kindly.

“Our clients can rest, assured that DEALHQ gets the deal through!”

— Our Services

01. Corporate Commercial

Our Corporate Commercial advisory team provides hands on support to our clients' business across diverse sectors. We provide business formation & incubation, operational support, investment advisory, compliance and business regulation, business continuity and expansion planning, M&A and other forms of corporate restructuring.

Our team has built a reputation as highly skilled at navigating complex business bottlenecks and providing hands-on support to the client through our practical, out of the box thinking, and knowledge of the African market. Our clientele spans manufacturing, energy, oil and gas, aviation, banking, engineering and construction at different stages of growth demonstrating the versatility of our team.

02. Finance

Our Finance practice spans corporate and project finance acquisition finance, export & trade finance, derivatives, equipment leasing, financial risk management/hedging, and other forms of structured finance from both lender and borrower side, in local and foreign currency. Including drafting and negotiation of standard form finance contracts and credit security documentation and perfection.

03. Real Estate & Construction

DealHQ is undoubtedly a go-to firm for Real Estate, recognized as one of the few legal advisory firms with capabilities spanning project development, construction and engineering and financing.

We provide end to end support across the real estate value chain including project development support, acquisitions, portfolio management, proptech set up & deployment, construction advisory including contract monitoring, drafting and negotiation of bespoke and standard form construction contracts (general, design build & EPC contracts) finance and capital raise including structuring diverse forms of regulated or unregulated securities (REITS, Asset backed bonds/notes, asset securitization).

04. Capital Markets

We advise on diverse capital markets deals including-: (equity) IPOs, subsequent public offerings, private placements, rights issues, collective investment Schemes, divestments, securitizations, derivatives amongst others; (debts) bonds issuances, loan notes, mortgage backed notes, collateralized debt obligations amongst others.

05. Aviation

DealHQ provides advisory support to new entrants and operators in the Aviation Industry. We advise on procurement of operating licenses, fleet acquisition and leases including financing, insurance, recruitment and onboarding of crew and technical team, and general fleet management and operational compliance.

Our Aviation team is positioned to provide best-in-class support to clients by paying special attention to operational safety, security, financial stability, risk management and compliance with applicable local and international laws.

06. ESG

DealHQ provides strategic end-to-end support to clients seeking to implement ESG strategies or to achieve their NetZero goals. We advise businesses seeking to deploy ESG policies across diverse sectors including oil & gas, mining, power, technology, banking, manufacturing, renewable energy and agriculture. Our services include:- change policy development support, risk management strategy and reporting, project finance, regulatory compliance, contract monitoring, sustainable finance and capital raising including structuring diverse forms of regulated or unregulated securities (Green & Blue Bonds, Social Sustainable and Sustainability Linked funding).

07. Private Equity

Parallel to capital markets, our PE practice advises on private capital sourcing for businesses at different stages of growth. We also advise PE Funds, VCs, portfolio companies and other institutional investors on potential investment opportunities; including due diligence, viability assessment, deal negotiation and documentation.

08. Technovation

We are positioned to provide support to the burgeoning technology and technovation market. Our business in itself is driven by technology and we support businesses seeking to deploy technology based services across diverse sectors including fintech, Proptech, retail, AI, health care, hospitality and other new markets.

09. Corporate & Nominee Services

As part of our corporate services offering, we provide business formation and start up support for onshore and off shore entities, and to other private and public entities. We also provide corporate affairs support (company secretarial, compliance and good standing support), corporate investigations, intellectual property protection, licensing and approvals for specialized businesses, foreign personnel/immigration formalities and trust/custodial services.

Client Review

● IFLR 2020

"I was impressed with their work ethics, timeliness and overall presentation on the job. I will say their key strength is their knowledge in buy side Due Diligence."

● IFLR 2020

"The firm was very helpful with handling the transaction and also communicating effectively with the target company as well as with the other investor in the deal."

● IFLR 2021

"Despite their small team, the firm has in-depth knowledge of law and business. The team is also extremely efficient."
